**STOLEN!
"GRACE"**

It's 1892, and Grace, the church's beloved horse, has been stolen by a notorious horse thief on the eve of the town's biggest celebration. The thief has left a trail of clues throughout the church, challenging teams to prove their faith, wisdom, and problem-solving skills. You have 40 minutes to uncover the thief's hideout, and rescue Grace before the thief escapes with her!
